Transfer Credits and Program Major Guides

Will My Credits Transfer?

NIU accepts credits in transfer from any regionally accredited institution of higher education.

Credit evaluation at NIU is based on the similarity of transfer courses to equivalent NIU courses, usually requiring a 70% match. However, some programs may have higher requirements based on accreditation or licensure. Transfer courses that meet 70% of more of general education requirements but lack an equivalent NIU course can still be used to fulfill those requirements.

Benedictine University View School

With a few simple clicks, you can view a list of course articulations from any regionally accredited institution. You also have the option to select all courses or all UCC (University Core Curriculum).

Every effort is made to keep this information up to date. Course content does change from time to time, both at the transfer institution and at SIUC; therefore, this information is subject to change. Some courses may not be currently offered or no longer offered by the school. **If the course prefix, course number, and course title do not match what is listed on the Transfer Course Equivalency Guide, check with your academic advisor before enrolling in a course.** If your school or course is not listed, we perform evaluations on a course-by-course basis. Course syllabi can be sent to transferservices@siu.edu.

SIUC awards equal hours for all transferrable work. There is no cap on the number of transfer hours that will be accepted. Remedial and developmental coursework will not be accepted for credit.

ILLINOIS INSTITUTE OF TECHNOLOGY

DATA SCIENCE

This transfer guide is for students planning to transfer coursework from CCC to Data Science at Illinois Tech. Students must earn a letter grade of "C" or higher to earn equivalent course credit. Grades of "C-" are not acceptable for transfer credit. **A maximum of 68 transfer course credit hours from a two-year institution may be applicable to an Illinois Tech undergraduate degree program.** There is no maximum number of hours of transfer credit from a four-year college; however, the final 45 semester hours of any undergraduate degree program must be completed in residence at Illinois Institute of Technology.

SHOW NOTES

BASIC WRITING PROFICIENCY REQUIREMENT

All incoming degree-seeking students must meet a Basic Writing Proficiency Requirement. The requirement can be satisfied in any of the following ways:

- * If you have ENG 101 course credit for the equivalent University Writing Course (COM 101 at IIT).
- * If you have a 4 or better on the AP English exam.
- * If we have judged your ACT and/or SAT English/Writing scores as sufficient: ACT Writing 8 or better, SAT Essay 9 or better. New SAT Writing and Language 33 or better.
- * If none of the above apply to you nor are sufficient for placement, we will request you to submit a new essay for us to evaluate.

If we deem that your new essay does not demonstrate Basic Writing Proficiency as defined by IIT, then you will be required to enroll in COM 101 or COM 111 your first semester at IIT.
